Review: The Four Pillars of Investing - The Simple Dollar So, yes, The Four Pillars of Investing intrigued me quite a bit and got my juices flowing for the first time about investing. It appealed very strongly to my analytical sense, much like A Random Walk Down Wall Street , but unlike that other book, this one attempts to identify the underlying ideas behind sound investing. The Four Pillars of Investing by William J. Bernstein William Bernstein's The Four Pillars of Investing gives investors the tools they need to construct top-returning portfolios--without the help of a financial adviser. In a relaxed, nonthreatening style, Dr. Bernstein provides a distinctive blend of market history, investing theory, and behavioral finance, one designed to help every investor become more self-sufficient and make better-informed investment decisions. Four Pillars of Responsible Investing | Calvert Four Pillars of Responsible Investing As Responsible Investing gains ground, more investment managers are offering environment, social and governance (ESG)-focused investments. But not all Responsible Investment strategies are created equal.
